

All 2017 Rosinburg Events shows will participate in the **NCDCTA 70% Club program**

Become a member of the club!

- *Once you become a Member of the Club, you remain a Member and all subsequent 70% scores count towards your year-end totals. However, earning two or more scores at one show will earn you a new 70% Club Pin each year!*
- *Only ONE 70%+ score is required at FEI Levels to become a Member of the Club.*
- *Scores must be earned at a USEF/USDF/NCDCTA recognized show.*
- *Club members will receive Membership Pins to proudly display their accomplishments and recognition on the NCDCTA website and Newsletter.*
- *DSE, MFS, Young Horse, Rider Tests - any 'odd-scored' tests do not count for the 70% Club.*
- *NCDCTA membership is required - but, membership can be obtained on the weekend/day of the show where the scores are earned. In other words, a competitor seeing that they have earned two 70% scores may go online at www.ncdcta.org and Join NCDCTA during the show weekend and those scores will earn them membership in the NCDCTA 70% Club (along with all the other benefits of NCDCTA membership).*
- *Horses do NOT have to be registered with NCDCTA.*
- *Owners do NOT have to be members of NCDCTA.*
- *NCDCTA 70% Club Pins will be mailed to Club Members as soon as their scores are earned - pins will be mailed to the address given with their NCDCTA membership.*
- *The most number of 70%+ scores in three divisions (Jr, AA, Open) will receive Year-End Awards and further recognition. Join NCDCTA and become a member of this prestigious club!*
- *Year-End prizes will be mailed to winners using their address as recorded in their NCDCTA membership.*
- *In the case of a tie for year-end prizes, the highest single score will break the tie. If the highest single score of the year is also tied, both competitors will receive recognition and the prize.*
- *See www.ncdcta.org/70percent.php for details of the program, recognition of all members of the Club and score tracking. Your show(s) are also recognized on this page – with links to your own show websites and contact information.*
